IAS EXPANDS SGS ACCREDITATION SCOPE FOR SURGICAL MASK TESTING

International Accreditation Service (IAS) is a nonprofit, public-benefit corporation that has been providing accreditation services since 1975. IAS accredits a wide range of companies and organizations and its accreditation programs are based on recognized national and international standards that ensure domestic and/or global acceptance of its accreditations.

Effective from August 11, 2020, SGS Hong Kong had expanded its scope of accreditation under IAS to include Physical and Microbiological services for Surgical Masks.

Independent and innovative, SGS safety experts use state-of-the-art facilities and technology to deliver tailor made added value services that help improve your business. We offer efficient solutions to help safeguard quality, safety and sustainability.
