## 2014 SGS & WRAP CO-HOSTING SEMINAR TOUR ON TESTING FOR TEXTILE AND SOCIAL AUDIT

With the growing concerns of the ethical aspects during the production process, corporate social responsibility has become an important issue when facing the international buyers. Many international retailers strictly require their suppliers to comply with the international standard of testing and ethical codes, so as to ensure their products are produced in an ethical and legal way. How to catch up with the latest updates on testing and social requirements of the buyers?

SGS [Supply Chain Assessments & Solutions \(SAS\)](#), [Softline](#) and Worldwide Responsible Accredited Production ([WRAP](#)) jointly organise a series of seminars for textile and garment industry in **Ningbo, Xiamen, Nanjing** and **Shenzhen**, China.
